

HISTORY

St Brendan's Chapel was built in 1917 to offer Eucharistic hospitality to local residents and our many summer visitors along the coast and at Biddeford Pool.

The Chapel has a charming simplicity. The interior is rustic and peaceful to the eye. It is a very popular venue for weddings.

If you wish to book the chapel for a wedding, please contact the Good Shepherd Parish office at (207) 282-3321 to make arrangements.

Directions:

Take Route 9 from Biddeford or Kennebunkport to the Biddeford Pool turnoff (208) by the water tower. Continue over the bridge and turn left onto Mile Stretch Road which, with a mild veer to the right, becomes the Lester B. Orcutt Blvd. The Chapel is on the corner of 1st Street, just past the Marie Joseph Spirituality Center.

Tips for visitors: There is minimal parking around the Chapel. It is a courtesy to residents not to block their driveways. Parking is policed and Route 9 and 208 are good radar traps. For public safety and your own financial well being, please observe the speed limits.
